

CLAIM FALLS TWP WILL GET \$225,000 ON RE-ASSESSMENT

Effort To Confirm Tax Method Proves Unsuccessful

"MATTER FOR DIST'S"

Director Roberts Says Tw'p Assessor Notified of Plan

FALLS TOWNSHIP, Mar. 19 — The Falls Township School Board, it is stated, will receive \$225,000 this year due to a re-assessment of its completed buildings in the district. It is believed that this method of re-assessment will benefit all school districts in the county. An effort to confirm this, this morning, was unsuccessful. Isaac J. VanArtsdalen, Esq., county solicitor, said that he had no comment to make, that it was a matter for the school districts.

George B. Roberts, a member of Falls township school board, stated today that Elwood Britton, chief Bucks County assessor, had notified Falls township assessor, Sigmund Glocker, that the incomplete Falls Works of United States Steel Co., and other incomplete structures (including houses) in Falls township, are to be re-assessed for the portion of the year 1952.

Through such re-assessment, it was pointed out by Roberts, Falls township will secure approximately \$225,000 additional this year, and will thus be able to proceed with new school projects necessitated by

Terchon Post Re-Elects Kornstedt Commander

Chester W. Terchon Post, Veterans of Foreign Wars of the United States, at the regular Post meeting elected the following officers for the years 1952-53:

Commander, Henry R. Kornstedt; senior vice commander, Daniel F. Malchuk; junior vice commander, William E. Walp; quartermaster, Howard H. Smoyer, Jr.; chaplain, Frank Kowal; surgeon, Thomas P. Fannin M. D.; trustee, Felix Tomlinson; Donald Rucke and Joseph Crudo.

At this meeting Bucks County Council and Eighth District Delegates were also elected for the years 1952-53.

Henry R. Kornstedt having served as commander for the past three years was again selected to lead the Terchon post for the fourth consecutive term of office.

Installation of elected and appointive officers will take place with appropriate ceremony on April 20th at which time prominent local officials will be invited to witness the installation and the Veterans of Foreign Wars obligation to new members and several Korean Veterans. Further, the installation committee announces that refreshments and a buffet style dinner will be served at the Post Home immediately following the installation ceremony.

Four Weeks' Illness Is Fatal To Mrs. Cordisco

Mrs. Anna R. Cordisco died yesterday afternoon at her residence, 1913 Elm street, after an illness of four weeks. Mrs. Cordisco was a member of St. Loreto and Our Lady of Mt. Carmel Societies of St. Ann's R. C. Church; also the Donna Antoinetta Grandi Lodge.

Her survivors are her husband, Angelo, and the following children: Mrs. Frank Indelicato, Mrs. Vincent Genco, Louis and Anthony Cordisco; also 10 grandchildren.

Relatives and friends, also members of all societies of which she was a member, are invited to the funeral on Saturday at nine a. m. from her late home. Solemn requiem mass will be sung in St. Ann's Church at 10 o'clock. Interment in St. Mark's Cemetery will be under direction of the Galzerano funeral home. Friends may call Thursday or Friday evenings.

REOPEN MEDICAL LABORATORIES HERE

Harriman Hospital Has Re-Equipped Portion of The Institution

A PART OF EXPANSION

The Harriman Hospital Medical Laboratories were reopened today after being closed since 1946. Newly re-equipped with the most modern technical equipment, the laboratories will be under the direction of Mrs. B. J. Lynch, formerly with the pathological laboratories at Temple University Hospital.

The reopening of the laboratories is part of an overall medical expansion program being effected by Dr. Morris Kramer, administrator of the hospital. Dr. Kramer, who has only had ownership of the hospital since October, has already reopened the X-Ray department with a complete renewal of all equipment, under the full-time direction of an X-Ray technician, Miss L. Major Meredith, who has 16 years' experience and formerly was with a noted Roentgenologist in Philadelphia.

Mrs. Lynch completed her training as a medical technician at Graduate Hospital in Philadelphia. Besides being connected with the laboratories at Temple University Hospital, she operated her own laboratory for several years.

Unemployment Office Has 396 Job Openings From Employers

In a statement released today, Francis L. Mathews, manager of the Bristol Office of the Pennsylvania State Employment Service, reported that continued high level employment in the area served by that office is not without its problems and appealed to all employers to expand their efforts in the utilization of local workers.

"While some of our industries and projects have continued to expand their work force over the past several months, other establishments have not been quite so fortunate, and due to reasons such as lack of orders or lack of materials, have had to lay off a sizable number of their workers", Mathews stated.

"In most instances the unemployed workers do not meet the requirements of the jobs that are now open. During the past week 661 persons filed claims in the Bristol Office for Unemployment Compensation Benefits. This total is slightly below the average weekly number of claims taken since the first of the year and represents a better than twelve per cent reduction from the previous week, which is a good sign."

"At the present time the local office has on file a total of 396 job openings from local employers. The vast majority of these openings are

COUNTY BANKERS TOLD OF LEVITTOWN

Maurice E. Biederman Addresses Group at Doylestown Meeting

MR. MOYER PRESIDES

DOYLESTOWN, Mar. 19 — Forty representatives of banks in Bucks County attended the monthly meeting of The Bucks County Bankers Association Bank Management Committee held last evening at the Doylestown Inn. C. Donald Moyer, treasurer of Bristol Trust Company, introduced Maurice E. Biederman, vice-president of Levitt and Sons, who spoke to the bankers on "The Levittown Idea."

Mr. Biederman pointed out that Levitt and Sons commenced operations as builders 20 years ago and were originally builders of custom homes. Their first experience in mass production of housing took place in Norfolk during the Second World War. There, in six months time, they erected 2000 new homes.

With the experience there gained, Levittown, Long Island, was planned.

WORLD NEWS IN BRIEF

Allied "package" proposals were rejected by Communist trade negotiators in Korea and the talks were deadlocked.

Secretary Acheson, testifying before a Senate committee in Washington, expressed confidence of eventual success of the truce talks. He told the Senators the cost and duration of the Mutual Security Program would be determined by the strength and direction of the Communist threat of aggression.

The West's policy of negotiating through strength may be paying off, according to a United States spokesman, who said the Soviet proposal for a German peace treaty might be the first specific result.

A special Federal court held unconstitutional the criminal penalty sections of the anti-lobbying act and parts dealing with attempts to influence Congress. The Justice Department may appeal to the Supreme Court.

Prizes offered at the card party of St. Ann's A. Ladies Auxiliary in St. Ann's Club house this evening at 8:15 will include: Man's shirt, coffee pot, cooking utensils, case of soft drink, glassware. The door prize will be an indoor aluminum drier.

TO RETAIN HOME

At a meeting last evening, members of Robert W. Bracken Post, American Legion, decided to retain for themselves and their activities the old post home on Radcliffe street.

OPERATION WHITEWASH

The so-called "probe" of the Truman administration by his appointee, Newbold Morris, has long since drifted far away from commonsense and reality.

Anyone can see that its primary objective is not to reveal facts, but to conceal them, or to so confuse them that they can no longer be recognized.

Mr. Morris' incumbency has been a series of spectacular quarrels. He fought with Congress on the subject of his right to grant "immunity"—that is, to promise that anyone he selected for such favoritism be made immune from prosecution, if in Mr. Morris' judgement this was a good idea.

Congress refused to give him this right of immunity, which has always been an especially sensitive prerogative of the courts, in whose hands, despite the most careful exercise, it has often been under fire as being a form of compounding felonies.

Congress, which is the agency of government that has unearthed all the scandals which made it necessary for President Truman to go through the motions of "doing something about it," collided indirectly with Morris in another field. The Senate Investigating Committee, which is substantially the same committee Mr. Truman headed while a Senator, attempted to subpoena a mass of information from the Departments of Government under Mr. Truman.

What the Senate sought was a list of cases where departmental investigations (by Mr. Truman's appointees, of course) revealed such gross improprieties that these Departments called upon the Attorney General to prosecute—and where prosecution either was dropped or long delayed.

No more logical approach to uncovering the "fixers" and those who have been peddling "protection" could possibly be imagined.

Nevertheless the President ordered his department heads not to reveal such matters to Congress.

In view of subsequent events, the reason which the President

BUCKS SCOUTS WILL ATTEND CONFERENCE

"Career Huddle Groups" Are Planned at Allentown On March 22nd

LIST REPRESENTATIVES

Members of Senior Troops of the Bucks County Council of Girl Scouts plan a trip to Allentown on March 22nd, for their annual conference for girls in this section of the state. This conference through its theme "Preparing for Tomorrow" is designed to facilitate the exchange of ideas for the future through discussion groups.

The morning sessions, which will be conducted by qualified adults, will provide a choice of two of the following topics: Boy-Girl relations, out-of-doors (camping), recreation for senior scouts, and "Where Are Senior Scouts Needed?" (service projects). All of these sessions will be given twice to avoid conflicts.

The afternoon session of "Career Huddle Groups" will offer the girls a choice of one of the following fields: Women in the armed forces; nursing; airline hostess; social work, including professional girl scouting; secretarial careers; art and fashion designing; and home economics. The day's program will be concluded with a fashion show.

The conference has been set up by a senior scout planning board. Bucks county representatives on this board are Barbara Klinger of Troop No. 81, Southampton, and Evelyn Wimmer of Troop No. 26, Perkasie.

Invite Men Tonight To Visit School Shops

All men of this locality are invited to attend the meeting of the Bristol Fathers Association tonight in the high school cafeteria at eight o'clock.

The members of the association will view the work that is being done by the high school students in the blueprint shop, machine shop, and work shop.

So as all men may take advantage of the opportunity of seeing the various shops in the local school, President Nicholas Mannherz has issued the invitation and has also announced that they may also attend the Fathers Association meeting. Refreshments will be served.

SUPPER-MEETING

CORNWELLS HEIGHTS, Mar. 19 — A meeting of Cornwells Parent-Teacher Association on Thursday will be preceded by a supper. The high school teachers have accepted an invitation to the supper, to be served in the cafeteria and art room of the school at 5:45 p. m., by elementary mothers of the Class Mothers Association. Class mothers whose children are in high school will join the teachers at this supper for the purpose of becoming better acquainted. At eight p. m., in the auditorium, a business meeting will be held. The program will mark the 40th anniversary of the Girl Scouts of the United States.

Commuters at New Hope To Retain R. R. Service

PHILADELPHIA, Mar. 19 — The Superior Court has ordered that service on the Reading Railroad—New Hope-Hathor branch line—be continued.

The battle between the railroad and commuters has been won by the commuters, at least temporarily.

The Superior Court has ordered that service be continued until a decision is reached, perhaps within several weeks.

The commuters, members of the Northeast Penn. Passengers Association, are fighting a public utility commission decision permitting the railroad to eliminate the commuter line and put buses in their place.

FALLS AUTHORITY TO ADVERTISE FOR SCHOOL BIDS

Bids To Be Asked on March 27th for \$1,000,000 Elementary School

TO HOUSE 600 PUPILS

New Building To Be Erected At Oxford Valley, It Is Stated

By Staff Reporter
LOWER MAKEFIELD, Mar. 19 — The School Authority of the Township of Falls decided to advertise for bids on March 27th for the construction of the \$1,000,000 Oxford Valley elementary school, following the passage of a resolution by the Falls Township School Board authorizing such action, at a special meeting of the Authority and School Board held last evening in the new Pennsbury School.

Medill Bair, Superintendent of the Pennsbury Schools, said that the school to be located in Fatless Hills will contain 18 elementary class rooms, three kindergarten class rooms, an all purpose gymnasium and auditorium, health and administration rooms, and will have a pupil capacity of approximately 600. Bair added that there will be individual lavatories in each room and that there will be special play areas for the kindergarten group.

Robert Erwin acted as president of the school board in the absence of Alvin Thompson, president. It was disclosed during discussion that a school similar in design to the Oxford Valley School may be built in the Levittown area in the near future. Bair stated, "By using the same plans as far as possible, the authority can save itself a great deal of money."

Eisenhower Scores Show of Strength

Minneapolis—General Eisenhower scored a surprising show of strength today in the Minnesota primary by getting almost as many "write-in" votes as regular ballots cast for favorite son Harold E. Stassen. However Stassen appeared to be winning the state's delegates.

Returns from more than half of the 3769 voting precincts gave Stassen 96,472 votes with Eisenhower close behind with 89,203. Sen. Taft was third with 18,746 "write-in" votes, but lead Stassen's only official opponent on the ballot, Edward Slettedahl, a MacArthur supporter, who received 17,921. The General beat Stassen by a three-to-two plurality in Minneapolis and cracked the Stassen machine by winning outright in two congressional districts.

Expect Truman Announcement by May 15th

Key West, Fla.—Democratic National Chairman Frank McKinney said today he expects President Truman to announce before May 15 whether he will run for re-election—and his decision will depend on the progress of the Korean peace talks. McKinney said a settlement in Korea within sixty days would "lessen" the chances of Mr. Truman running. By the same token, he indicated, if there is not a peace settlement in Korea soon, the President will probably run again.

New Snowslides Hamper Rescues

June Lake, Cal.—New snowslides plus high winds and drifting snow hampered rescue operations today as workers toiled to get to 125 marooned persons snowbound at June Lake in the high Sierra. Two persons were killed and four others narrowly escaped death in a huge snowslide. The marooned people have a ten day food supply, but their fuel is only expected to last four days.

Claim France Accepts Draft of Western Reply

Paris—Authoritative diplomatic sources said today that France has accepted the British draft of a western reply to the Soviet proposal for a "big four" conference on Germany. A major point in the reply is reportedly an insistence that Russia must agree to free elections in eastern Germany.

NEWTOWN MAN HURT; 3 AUTO ACCIDENTS

Albert Fitch May Have Jaw Fracture; Blanzie Mitchell Injured

CRASH AT TREVOSE

Three of the individuals hurt in various accidents in lower Bucks County yesterday are being detained in hospitals.

They are: Burton Mayfield, 24, Langhorne R. D. 3, a patient in Nazareth Hospital, Philadelphia; and Blanzie Mitchell, seven years, a patient in Harriman Hospital; and Albert Fitch, 35, Newtown, in Mercer Hospital, Trenton, N. J.

Also injured was John Karpik, 34, of Dublin.

Mayfield and the Mitchell boy were injured in an accident at Lincoln, Bensalem township, yesterday at 6:45 a. m. Mayfield, who was rendered unconscious, was detained to determine extent of injuries. The Mitchell boy has laceration of the head and possible concussion.

According to Chief of Police George Rentz, Bensalem township, Mayfield was operating a sedan west on Cedar Lane, Lincoln, when the car was involved in an accident with one operated by Robert Hills, 22, of Court H, Bristol Terrace II. Hills was travelling north on Park avenue. The crash occurred at the intersection. The Mitchell child was riding with Hills.

Funeral Directors' Unit Conducts An Election

NEWTOWN, Mar. 19 — Officers were elected at a dinner meeting which marked the first official session of Bucks County Funeral Directors Association, last evening, in the Temperance House, here.

William C. Varcoe, Wycombe, who is president of the Penna. Funeral Directors Ass'n, was chosen president of the Bucks County unit; John A. Moyer, Perkasie, vice president; William W. Dunn, Langhorne, secretary-treasurer; and directors as follows: Messrs. Varcoe, Dunn and Moyer; also Vincent D. Galzerano, Bristol; Harold J. Heacock, Perkasie; J. Samuel Leaver, Mechanicsville; John H. Fox, Dublin.

The charter meeting is set for April 15th, also at the Temperance House. The Bucks unit will be affiliated with the state and national funeral directors associations.

The unit is formed, it is stated, "for advancement of welfare of members," and meetings are to be of the educational type.

NAME DELEGATES TO THE CONTINENTAL CONGRESS

DOYLESTOWN, Mar. 19 — Mrs. Norman K. Lear was hostess to Bucks County Chapter, Daughters of the American Revolution, at her home, here, Monday, with 25 members present and two guests. Mrs. A. J. Firlic, past regent of the Nathan Terry Chapter, Ohio, and Mrs. George R. Powell, Morrisville, a member of the Dr. Benjamin Rush Chapter, Philadelphia, were honored guests.

Mrs. William V. Loughery, regent, presided at the annual meeting. Mrs. John Force, Yardley, of the National Defense Committee, gave a ten-minute report from the National Defense Committee of the National Society. Mrs. Herbert T. Crough read the president general's message.

Delegates appointed to the continental congress in Washington, D. C., April 15th-18th, are Mrs. Loughery, Mrs. Franklin Washburn, Furlong, vice-regent; alternates were Mrs. Force, Yardley, and Mrs. Albert Moyer, Perkasie.

The tea committee assisting Mrs. Lear included Mrs. Leslie Ace and Mrs. Robert Baker.

\$25 FIRE DAMAGE

EDGELY, Mar. 19—Approximately \$25 damage was caused from a fire Monday at 12:45 p. m. to a tool storage building, about 10'x10', belonging to the G. & H. Steel Co. (iron workers), of Drexel Hill. The building is located near the sewage treatment plant, between here and Tullytown, now owned by Levitt & Sons. Edgely firemen responded and according to Fred Hibbes, fire chief, the fire was due to an overheated oil stove, which caused the side of the frame building, unoccupied at the time, to ignite.

Edgely firemen answered calls to two grass fires yesterday: at 12:15 p. m., at the rear of Ronald Swain's property, Bristol Pike; 4:15 p. m., rear of Fleetwing Estates, trash fire.

RECORD TOURIST YEAR!
Will tourist travel and business at resorts set new records this year, continuing the pattern of the six postwar years? The answer seems to be an emphatic yes. Winter resorts, in California, Florida and in the Gulf Coast states were in most cases hard-pressed to accommodate the customers. There is not the slightest indication that the picture will change when summer comes.

The American people have formed the habit of piling in the family car and pointing its nose toward far horizons. National parks, mountains, lakes and the seashore swarm with vacationers and tourists winter and summer, as the horde follows the seasons north or south.

Tourist facilities everywhere are much more nearly adequate than was the case in 1946 or 1947, when there simply were not sufficient accommodations at many points to meet the demand. Thousands of new motels have been built, invariably on a much more lavish scale than was the case a decade ago. Rates have jumped in the last five years, but who is a tourist to quibble?

There isn't a hamlet in the country that does not benefit directly from dollars left behind by Americans on wheels vacationing, though their destination may be far distant.

WARPLANE FAMINE
Veterans of the Korean War emphasize that the U. S. is at a numerical disadvantage in the fighter plane category. This is not news to anyone who reads the newspapers.

It isn't that the Air Force has been stunted for money. For fiscal 1953 it will have \$21,000,000,000 to devote to buying new planes and training the men to fly them. This is the lion's share of the defense dollar.

A year ago air strategists planned an increase in size of the Air Force from the present 80-odd wings to a top of 143 by 1954. After much soul searching, calculating and conferring, the date was set back to 1955. The conclusion was that there wouldn't be full scale war until after 1954. By that time the completed assembly lines to turn out the high altitude jet bombers and fighters would be all set and running.

Another explanation is that since the air fighting in Korea started going badly for the U. S., builders of jet fighters have been unable to "freeze" designs. Assembly lines run in fits and starts. New design changes call for new parts. Bottlenecks in the parts supply industry have driven efficiency experts frantic.

Thus it has been barely possible to keep up a replacement program in Korea. Airmen shiver to think what would happen if the reds decided some day to shoot the works by sending over all the air strength they have.

Claim Falls Twp. Will Get \$225,000 on Re-Assessment

Continued from Page One
influx of new families drawn to the area by new industries.
Roberts and other members of the board took up the fight last week after VanArtsdalen said the new law—Act 544—did not cover buildings only partially completed after Sept. 1.
Roberts, at that time, pointed out the new \$400,000,000 steel plant nearing completion would escape proportionate assessment under this ruling.

As a result of his protests, T. Sidney Cadwallader, township solicitor, conferred with Elwood Britton, chief county tax assessor, and VanArtsdalen. It was agreed, Roberts said, that incomplete industrial as well as real estate structures should be subject to assessment.

The township assessors, Roberts said, would be instructed to assess the steel plant as well as any other construction in the township, coming within the specifications of the law.

The new law, sponsored by State Senator Edward B. Watson and State Representatives Marvin V. Keller and Wilson L. Yeakel, permits the reassessment of housing and industrial developments in third and fourth class school districts for the current year.

Roberts was unable to estimate how much revenue would be derived from additional assessments on housing projects. Roberts took up the fight after VanArtsdalen made the ruling at a meeting of school, county and township officials with William J. Levitt, developer of Levittown, a housing project in the community.

County Bankers Told of Levittown

Continued from Page One
need. The area comprising this modern community in 1947 had a population of 200 which has now expanded to 70,000. Levitt and Sons erected 17,500 homes, seven swimming areas, 45 parks, nine swimming pools, in Levittown, Long Island, in a two-year period.

The initial program in Levittown, Pennsylvania, adjacent to Bristol and Morrisville, calls for 16,000 houses to be erected in three years. The first families are scheduled to move in to the village on May 16. During 1952, 5,000 homes will be completed, although no actual construction has been started at this time. The development was opened for the sale of houses on December 8. Until yesterday, 3,700 sales of houses, involving 40 million odd dollars, have been completed. The production schedule calls for the completion of 150 houses per week, commencing in May.

Levitt and Sons, Mr. Biederman asserted, are community builders and not simply house builders. Levittown, Pennsylvania, will contain six separate communities, each with a distinct name. For ease in location of any address, all street names in a given community area will commence with the same letter as the name of the community. Each community has its own shopping center for necessities. One large downtown shopping area, where the principal stores of the nation will be represented, will be located on Bristol Pike. Business properties are not sold but are leased by Levitt and Sons.

Mr. Biederman answered all questions proposed by the bankers in detail and refuted many of the rumors concerning the restrictions placed upon property owners which had come to the ears of the bankers and invited the bankers to visit Levittown for a first hand opportunity to inspect the methods of their construction teams.

Chairman of the Bank Management Committee, T. Wells Knipe, cashier of the First National Bank of Perkasie, announced that the Federal Bureau of Investigation will present the program at the next meeting of the Bank Management Committee.

George Washington was born in Virginia, at that time a British Colony.

hospital to rebuild the maternity wing. The work is under the direction of Harry Mehaffey of Bristol and will provide the hospital with a new delivery suite, a new glassed-in nursery, a formula room next door to the nursery and several large new bedrooms. When completed, the wing will be devoted exclusively to maternity and new equipment will make it one of the most modern in the state.

It was announced that there will be an open-house as soon as the work is completed to give the public a chance to see the improvements and additions that have been made under Dr. Kramer's direction. Several local ministers have already inspected the "new" hospital at Dr. Kramer's invitation.

crease of approximately three and-a-half-cents per-hour was approved for 1545 employees and a four-cent-per-hour increase for 21 employees in a different unit at the Bristol plant; and a vacation plan modification was approved allowing two-weeks vacation after three years of service and three-weeks after 15 years of service for employees in both plants.

A petition affecting 922 production employees at the factory and research laboratory at Bridesburg was approved allowing an approximate three-cents per-hour general wage increase and modification of the vacation plan similar to the

proposal submitted in behalf of other employees of the company.

Two of the petitions were filed jointly by the Rohm & Haas Company with the Federation of Glass, Ceramic and Silica Sand Workers of America, Local No. 88, CIO, and all of the approved requests are retroactive to December 3, 1951.

The Divine Praises

Blessed be God.
Blessed be His holy name.
Blessed be Jesus Christ, true God and true man.
Blessed be the name of Jesus.
Blessed be His most sacred heart.

Blessed be Jesus in the most holy sacrament of the altar.
Blessed be the great Mother of God, Mary most holy.
Blessed be her holy and immaculate conception.
Blessed be the name of Mary, Virgin and Mother.
Blessed be Saint Joseph, her most chaste spouse.
Blessed be God in His angels and His saints.

party was held in honor of Caroline Bilger, daughter of Mr. and Mrs. Elwood Bilger, Market street, who was 11 years old. Those present were: Marlene Keller, Elaine Keller, Maryann Taylor, Violet Taylor, Sally Farina, Virginia Pizzullo, Margaret Seneca, Patricia DiTullo, Gloria Beerbower, Rebecca McSherry and Nadine Flatch. Games were played and prizes won by all. The color scheme was in keeping with St. Patrick's day. The birthday cake was trimmed with green and white icing and had candles atop. The favors were handmade miniature wooden spoons painted with nail polish and sprinkled with snow, and arranged so they could be worn in the hair as barettes. Ice cream, cake and other "goodies" were served as refreshments. Caroline received gifts. On Sunday evening, a birthday dinner was served in honor of Mrs. Peter Daniel, Philadelphia, mother of Mrs. Bilger, in the Bilger home. Attending were: Mr. and Mrs. Peter Daniel, Mr. and Mrs. Herbert C. Daniel, Mr. and Mrs. Chester Ziolski and son Chester, of Philadelphia, and Mr. and Mrs. Elwood Bilger and family.

Mr. and Mrs. Rodman Fries, Radcliffe street, toured the New Jersey Turnpike on their return from New York, N. Y., on Sunday.

Newtown Man Hurt; 3 Auto Accidents

Continued from Page One
Damage to the two cars is listed at \$1000.

Albert Fitch, who suffered a possible fracture of the right jaw, head injuries and cuts of the face and left arm when his car collided at Dolington and Eagle rds., Stoopville, with one driven by John Karpik, 34, Dublin, shortly before five p. m.

Fitch was admitted to Mercer Hospital, where doctors said his condition was fair. State Policeman William A. Arner, of the Langhorne barracks, said Karpik was treated by a physician for laceration of the chin and chest injury. The vehicles were demolished.

A two-car crash occurred last night in Trevoise Heights. Injuries are listed as slight for Charles Goetz, Jr., six years, Trevoise; and George Speece, 32, Trevoise. The Goetz boy's father was listed as operator of one of the cars, Robert Hanf, Jr., 55, Trevoise, was driver of the car in which Speece was riding.

Regardless of what you have tried in the past, or how long you have put up with these ailments, you can now hope for relief with HOPE MINERAL TABLETS. In just a few days, you will see the waste, BLACK AS NIGHT begin to leave your body and you will feel the relief and wondrous change.

MOTHER NATURE HAS BLENDED traces of FIFTEEN different minerals in HOPE MINERAL TABLETS. When aches and pains get you down, perhaps your body is trying to tell you it needs these minerals. Hope Mineral will get down to the root and will start your lazy organs working again. It will bring back powers you thought you had lost.

Free Your Body
HOPE MINERAL will enrich your blood, give you pep and energy, and will help your body drive out poisonous waste! The warm red glow of health will be in your cheeks and your eyes will sparkle again.

HOPE MINERAL is not like other products that give you a large dose of ALCOHOL just to give you a temporary lift. These Minerals are not man-made minerals. Hope Mineral is taken from the earth from Nature's Work Shop. It contains only Natural minerals, no dopes, no oils, and is not narcotic forming.

TAKE NOTE OF YOUR ELIMINATION a few days after using HOPE MINERAL. When the black waste begins to leave your body, do not become alarmed—the minerals are doing their work. When your organs are free of waste and impurities, you will begin to feel relief. Then be thankful you have finally found HOPE MINERAL.

Nature Cures
DOCTORS WILL TELL YOU, it takes God and Nature to do the real and final curing. More and more, they turn to nature for healing. They use a natural mold growth to make penicillin, they have found that raw onions will kill bacteria. These and hundreds of other

Two Social Events Are Held at Bristol Terrace

Two social events took place at Bristol Terrace, Saturday evening.

Mr. and Mrs. Donald Taylor, Linton avenue, entertained in celebration of their 15th wedding anniversary. Refreshments were served amid St. Patrick's decorations. The couple received crystal gifts. Guests were: Mr. and Mrs. Robert Wynne, Mr. and Mrs. Raymond Sattler, Mr. and Mrs. Charles Chevoicole and daughter Dolly, Mr. and Mrs. Sidney LaRay, Mrs. James Curthbert and daughter Shirley, Mr. and Mrs. Alfred Szafranski and son Richard, Michael Sutton, Mr. and Mrs. Donald Taylor and daughters Carol and Shirley.

Mr. and Mrs. Frank Reiser, Sr., Miller road, gave a surprise party at their home in honor of their son, Henry, celebrating his 24th birthday anniversary. Entertainment included games and television programs. Refreshments were served buffet style. The table was decorated in pastel colors. Henry received gifts. Those attending included: Mr. and Mrs. Russell West, Mr. and Mrs. John Kiriuc, Jr., Manayunk; Mr. and Mrs. Joseph Ungray, John Poth, Morrisville; Mr. and Mrs. Henry Reiser, Anthony Rizzo, Merchantville, N. J.; Mrs. Mary Glaubeant, N. J.; Mr. and Mrs. John Mehl and son "Johnnie," Croydon; Miss Jean Fisher, Yardley; Mr. and Mrs. Frank Reiser, Sr.; Frank, Caroline and Violet Reiser, Miller road.

MRS. CHAS. HOPKINS

PENNS PARK, Mar. 19—Mrs. Eva J. Hopkins, 55, wife of Charles Hopkins, died at her home here, Sunday evening. Born in Newtown, she was the daughter of the late George H. Price and Mary E. Kellm. She was a member of the St. Mark's A. M. E. Church, Newtown, and president of the Volunteer Club of Newtown. Survivors, beside her husband, include two sons, William E., of Forest Grove, Walter A.; two daughters, Mrs. Lillian E. Case, of Rushland, and Mrs. Ethel A. Quarles, Newtown; a brother, Albert Price, Orange, N. J.; six grandchildren. Funeral services will be held Thursday at two p. m., in the A. M. E. Church, Newtown, with viewing there this evening. The Rev. R. Quarterman will officiate, with interment in Mount Glead Cemetery, Buckingham.

NEW YORK, (INS)—Clay tiles created by the Moors played an important part in development of architectural designs in Spain during the Renaissance, especially for floors and wainscots.

SAFETY TUBES

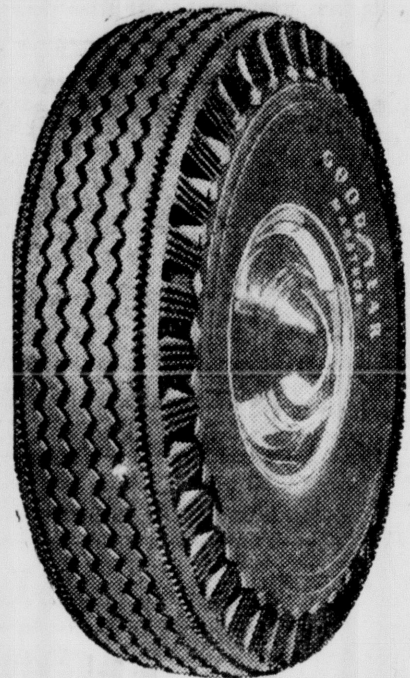

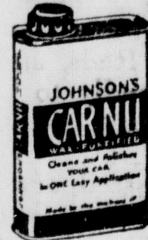

Put LifeGuard Safety Tubes in your present tires, whether new or used — recaps or still have original treads. Drive with your mind free from fear of accidents caused by blowouts. LifeGuards will usually outlast three sets of the same size tires and help get the last mile from your tires with safety.

ORDINARY TUBE

When a tire with an ordinary tube blows out, the single air compartment collapses — the wheel drops suddenly, usually throwing your car out of control.

LIFEGUARD SAFETY TUBE

When tire with LifeGuard blows out, only the outer chamber gives way — reserve cord fabric inner tire supports car — deflates slowly. You have ample time to bring car to safe, straightline stop.

SAFETY TUBES

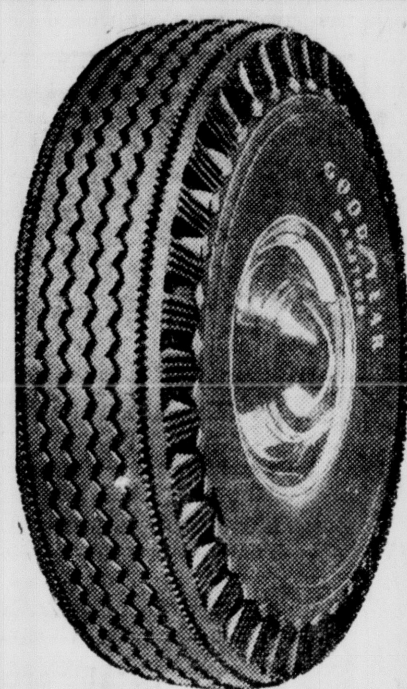

Put LifeGuard Safety Tubes in your present tires, whether new or used — recaps or still have original treads. Drive with your mind free from fear of accidents caused by blowouts. LifeGuards will usually outlast three sets of the same size tires and help get the last mile from your tires with safety.

ORDINARY TUBE

When a tire with an ordinary tube blows out, the single air compartment collapses — the wheel drops suddenly, usually throwing your car out of control.

LIFEGUARD SAFETY TUBE

When tire with LifeGuard blows out, only the outer chamber gives way — reserve cord fabric inner tire supports car — deflates slowly. You have ample time to bring car to safe, straightline stop.

YOUTH LEAGUES PLAN TO OPEN SEASON MAY 4TH

The organizers of the Lower Bucks County Baseball Youth Leagues have set Sunday, May 4th, as the opening date. Officials of the league are still seeking teams from this section to join the various circuits.

Attempts are being made to have three sections. The first will cover youths, 10 to 13 years of age. The second will be the 14 to 16 class, and the third for youths over 17 years of age. The 14-16 group has eight teams in it and the over 17, four teams. The younger group is just getting started.

Any team in Lower Bucks County, coming into any of the age groups, is invited to join the league. Present plans are to play twice during the week and also have a game on Sunday. For further information team managers are invited to a meeting Monday night at eight o'clock in the V. F. W. home, Andalusia.

If managers are unable to attend, they may contact Frank Wolf by phoning Bristol 4002.

Robert Lewis, Washington avenue, is organizer of the leagues. Robert Coles, Bristol, has been elected secretary, and George McCay, Fergusonville, treasurer.

NOT ONLY RELIEVES BUT 'LOOSENS UP' BAD COUGHS CAUSED BY COLDS

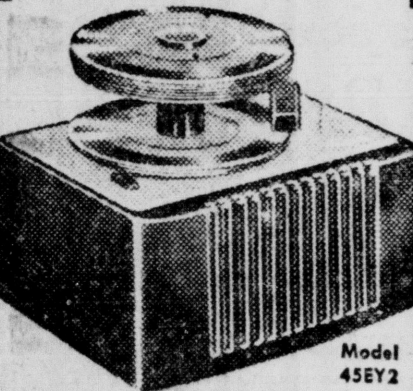

Pertussin has been prescribed by thousands of doctors. It not only relieves such coughs, but 'loosens up phlegm' and makes it easier to raise. PERTUSSIN is safe and mighty effective for both old and young. Pleasant tasting too! PERTUSSIN is inexpensive.

bers reviewed possible growth of population in Fairless Hills by next Sept. Bair said, "There are 200 children living in about 200 homes, and if the number of homes reaches 1,600 by the end of the summer it is possible that we would have quite a few children to care for. It is important that we be prepared."

It was agreed at the meeting that all possible haste must be exercised in the completion of the addition to the Falls elementary school, located in Fallsington. There will be 26 class rooms in this building after the addition, which will provide a capacity for 780 students. There are 558 students now attending this school.

dent assigned for this high-handed act on his part is most interesting. He said that this represented a "dragnet" approach, and that Congress ought only to investigate "specific" cases.

Now, what makes this reasoning absurd is the fact that Mr. Morris, as his first step towards investigating, has ordered the broad-casting of 25,000 questionnaires to Federal officials. This is a "dragnet" with a vengeance. So far as "specific" complaints are concerned, the fact is that much the greater number of persons being thus interrogated have not even come near being suspected.

But the whole matter has become so embroiled with personalities, and the Truman cronies have kicked up so much dust, that no one seems interested in the President's illogic of first rebuffing Congress for asking for a list of officials who had been investigated and found to be "prima facie" guilty of offenses, and then permitting Mr. Morris to assemble confidential information against a host of Truman employees never accused of anything.

Meanwhile, Mr. Morris' previous activities, and his close association with various groups which seem to have enjoyed a preferential status in money-making activities involving either the most remarkable luck or some form of favoritism, continue to be under scrutiny.

It was because he found it embarrassing to be questioned concerning his part in the buying of surplus oil tankers from the government, their use to ship oil to the Chinese Reds, and the final disposal of these tankers to interests unfriendly to Uncle Sam, that Mr. Morris flew into a rage and accused Congress of unfairness and other offenses.

Yet the fact is that if Congress hadn't investigated, and hadn't uncovered a great mass of evidence of proven frauds, there would be no need for Mr. Morris ever to have been made a special investigator.

So confused has thinking become that the New York Times, which is certainly demeaning itself to condone either Mr. Truman or Mr. Morris in this affair, recently came to Mr. Morris' support with an editorial that disregarded the whole history of the investigation, disregarded the fact that various really important public figures refused to take the job of investigating scandals under Mr. Truman because, as they made obvious in their statements, they felt that they were supposed merely to "cover up" for him; disregarded the close contacts Mr. Morris has had with questionable phases of the very type of "inside stuff" he is supposed to investigate; disregarded the fact that the man who appointed him, Attorney General McGrath, is the man chiefly blamed for the corruption getting out of hand; disregarded the fact that when Mr. Morris was asked to explain his own past record he flew into an abusive rage and refused to do so—disregarded all this and traced all the present mistrust of Mr. Morris to the asserted fact that Mr. Morris belonged to a national committee that opposed the re-election of Senator McCarren in Nevada!

"Operation Whitewash" moves along unhappily!

for highly skilled male workers. Some of these hard to fill jobs are for Aeronautical Engineers and Draftsmen, Surveyors, Tool and Die Makers, Form Builders, Bench Mechanics, Inspectors and Stenographers.

"Fifty-four per cent of the unemployed group are experienced female production workers for whom there are no openings. Added to this group are several older men and some handicapped workers who are difficult to place. A quick recapitulation of the remainder leaves us with an excess of jobs over men even before we begin to try to match qualifications with requirements."

"During the next two months total manufacturing employment in the area is expected, according to employers, to expand by almost an additional 1,000 workers and within the next year, approximately an-

other 12,000 will be added. While the situation in regard to skilled workers will, no doubt, continue for the duration of these expansions, it is obvious that many unskilled workers will have to be trained."

"It is for this group then," Mathews emphasized, "that full utilization of the local labor market, particularly those groups previously mentioned, is recommended. All of these groups—performed commendably in various local establishments during World War II and would certainly lessen the turnover problems which would be involved in too much outside recruitment or in workers commuting great distances."

town will have a population of over 10,000 persons.

Robert Warwick, of the Public Relations Department, Danherst Corp., commented on the tower and its location. He said: "This tower, now under construction, is meant to serve the residents of the 1,600 homes that are expected to be completed by the end of 1952. The tower is being built very close to the wells that are now in operation. This tower will contain enough water to meet fire and other emergencies that might arise, of such nature that the wells might not be able to supply water fast enough."

CLAIM FALLS TWP WILL GET \$225,000 ON RE-ASSESSMENT

Effort To Confirm Tax Method Proves Unsuccessful

"MATTER FOR DIS'TS"
Director Roberts Says Twp's Assessor Notified of Plan

FALLS TOWNSHIP, Mar. 19 — The Falls Township School Board, it is stated, will receive \$225,000 this year due to a re-assessment of incomplete buildings in the district. It is believed that this method of re-assessment will benefit all school districts in the county. An effort to confirm this, this morning, was unsuccessful. Isaac J. VanArman, Esq., county solicitor, said that he had no comment to make, that it was a matter for the school districts.

George B. Roberts, a member of Falls township school board, stated today that Elwood Britton, chief Bucks County assessor, had notified Falls township assessor, Sigmund Glocker, that the incomplete Falls Works of United States Steel Co., and other incomplete structures (including houses) in Falls township, are to be re-assessed for the portion of the year 1952.

Through such re-assessment, it was pointed out by Roberts, Falls township will secure approximately \$225,000 additional this year, and will thus be able to proceed with new school projects necessitated by

Terchon Post Re-Elects Kornstedt Commander

Chester W. Terchon Post, Veterans of Foreign Wars of the United States, at the regular Post meeting elected the following officers for the years 1952-53:

Commander, Henry R. Kornstedt; senior vice commander, Daniel F. Mulchinnock; junior vice commander, William E. Walp; quartermaster, Howard H. Smoyer, Jr.; chaplain, Frank Kowal; surgeon, Thomas S. Fannin M. D.; trustees, Felix Tomlinson, Donald Rieck and Joseph Crudo.

At this meeting Bucks County Council and Eighth District Delegates were also elected for the years 1952-53.

Henry R. Kornstedt having served as commander for the past three years was again selected to lead the Terchon post for the fourth consecutive term of office.

Installation of elected and appointive officers will take place with appropriate ceremony on April 20th at which time prominent local officials will be invited to witness the installation and the Veterans of Foreign Wars obligation to new members and several Korean Veterans. Further, the installation committee announces that refreshments and a buffet style dinner will be served at the Post Home immediately following the installation ceremony.

Four Weeks' Illness Is Fatal To Mrs. Cordisco

Mrs. Anna R. Cordisco died yesterday afternoon at her residence, 1913 Elm street, after an illness of four weeks. Mrs. Cordisco was a member of St. Loreto and Our Lady of Mt. Carmel Societies of St. Ann's R. C. Church; also the Donna Antonietta Grandi Lodge.

Her survivors are her husband, Angelo, and the following children: Mrs. Frank Indelicato, Mrs. Vincent Genco, Louis and Anthony Cordisco; also 19 grandchildren.

Relatives and friends, also members of all societies of which she was a member, are invited to the funeral on Saturday at nine a. m. from her late home. Solemn requiem mass will be sung in St. Ann's church at 10 o'clock. Interment in St. Mark's Cemetery will be under direction of the Galzerano funeral home. Friends may call Thursday or Friday evenings.

REOPEN MEDICAL LABORATORIES HERE

Harriman Hospital Has Re-Equipped Portion of The Institution

A PART OF EXPANSION

The Harriman Hospital Medical Laboratories were reopened today after being closed since 1946. Newly re-equipped with the most modern technical equipment, the laboratories will be under the direction of Mrs. B. J. Lynch, formerly with the pathological laboratories at Temple University Hospital.

The reopening of the laboratories is part of an overall medical expansion program being effected by Dr. Morris Kramer, administrator of the hospital. Dr. Kramer, who has only had ownership of the hospital since October, has already reopened the X-Ray department with a complete renewal of all equipment, under the full-time direction of an X-Ray technician, Miss L. Major Meredith, who has 16 years' experience and formerly was with a noted Roentgenologist in Philadelphia.

Mrs. Lynch completed her training as a medical technician at Graduate Hospital in Philadelphia. Besides being connected with the laboratories at Temple University Hospital, she operated her own laboratory for several years.

Unemployment Office Has 396 Job Openings From Employers

In a statement released today, Francis L. Mathews, manager of the Bristol Office of the Pennsylvania State Employment Service, reported that continued high level employment in the area served by that office is not without its problems and appealed to all employers to expand their efforts in the utilization of local workers.

"While some of our industries and projects have continued to expand their work force over the past several months, other establishments have not been quite so fortunate, and due to reasons such as lack of orders or lack of materials, have had to lay off a sizable number of their workers," Mathews stated.

"In most instances the unemployed workers do not meet the requirements of the jobs that are now open. During the past week 661 persons filed claims in the Bristol Office for Unemployment Compensation Benefits. This total is slightly below the average weekly number of claims taken since the first of the year and represents a better than twelve per cent reduction from the previous week, which is a good sign."

"At the present time the local office has on file a total of 396 job openings from local employers. The vast majority of these openings are

COUNTY BANKERS TOLD OF LEVITTOWN

Maurice E. Biederman Addresses Group at Doylestown Meeting

MR. MOYER PRESIDES

DOYLESTOWN, Mar. 19 — Forty representatives of banks in Bucks County attended the monthly meeting of The Bucks County Bankers Association Bank Management Committee held last evening at the Doylestown Inn. C. Donald Moyer, treasurer of Bristol Trust Company, introduced Maurice E. Biederman, vice-president of Levittown and Sons, who spoke to the bankers on "The Levittown Idea."

Mr. Biederman pointed out that Levittown and Sons commenced operations as builders 20 years ago and were originally builders of custom homes. Their first experience in mass production of housing took place in Norfolk during the Second World War. There, in six months time, they created 2000 new homes.

With the experience there gained, Levittown, Long Island, was planned.

The Bristol Township Police are in no way affiliated with the Bristol Police Pension Fund and are not soliciting for funds of same.—(Adv.)

OPERATION WHITEWASH

The so-called "probe" of the Truman administration by his appointee, Newbold Morris, has long since drifted far away from commonsense and reality.

Anyone can see that its primary objective is not to reveal facts, but to conceal them, or to so confuse them that they can no longer be recognized.

Mr. Morris' incumbency has been a series of spectacular quarrels. He fought with Congress on the subject of his right to grant "immunity"—that is, to promise that anyone he selected for such favoritism be made immune from prosecution, if in Mr. Morris' judgement this was a good idea.

Congress refused to give him this right of immunity, which has always been an especially sensitive prerogative of the courts, in whose hands, despite the most careful exercise, it has often been under fire as being a form of compounding felonies.

Congress, which is the agency of government that has unearthed all the scandals which made it necessary for President Truman to go through the motions of "doing something about it," collided indirectly with Morris in another field. The Senate Investigating Committee, which is substantially the same committee Mr. Truman headed while a Senator, attempted to subpoena a mass of information from the Departments of Government under Mr. Truman.

What the Senate sought was a list of cases where departmental investigations (by Mr. Truman's appointees, of course) revealed such gross improprieties that these Departments called upon the Attorney General to prosecute—and where prosecution either was dropped or long delayed.

No more logical approach to uncovering the "fixers" and those who have been peddling "protection" could possibly be imagined.

Nevertheless the President ordered his department heads not to reveal such matters to Congress.

In view of subsequent events, the reason which the President

BUCKS SCOUTS WILL ATTEND CONFERENCE

"Career Huddle Groups" Are Planned at Allentown On March 22nd

LIST REPRESENTATIVES

Members of Senior Troops of the Bucks County Council of Girl Scouts plan a trip to Allentown on March 22nd, for their annual conference for girls in this section of the state. This conference through its theme "Preparing for Tomorrow" is designed to facilitate the exchange of ideas for the future through discussion groups.

The morning sessions, which will be conducted by qualified adults, will provide a choice of two of the following topics: Boy-Girl relations, out-of-doors (camping), recreation for senior scouts, and "Where Are Senior Scouts Needed?" (service projects). All of these sessions will be given twice to avoid conflicts.

The afternoon session of "Career Huddle Groups" will offer the girls a choice of one of the following fields: Women in the armed forces; nursing; airline hostess; social work, including professional girl scouting; secretarial careers; art and fashion designing; and home economics. The day's program will be concluded with a fashion show.

The conference has been set up by a senior scout planning board. Bucks county representatives on this board are Barbara Klinger of Troop No. 81, Southampton, and Evelyn Wimmer of Troop No. 26, Perkasie.

Mrs. Walter Ford Dies Here at Age of 46 Years

Ill for two days, Mrs. Helen Ford (nee Ferry), wife of Walter Ford, 274 Hayes street, died in Abington Hospital yesterday. She was 46 years of age.

Born in this borough, Mrs. Ford had resided here for most of her lifetime. She was employed at the Atlantic Tea Packing Co. plant.

Surviving are her husband; a daughter, Mrs. Don Rossi, Trenton, N. J.; a son, William Ford, Langhorne; her father, William Ferry, Burlington, N. J.; eight grandchildren, a sister and two brothers.

Relatives and friends are invited to the service at the Wm. I. Murphy Estate funeral home, 316 Jefferson avenue, Friday at 10 a. m. Burial will be made in Bristol Cemetery. Friends may call Thursday evening.

Commuters at New Hope To Retain R. R. Service

PHILADELPHIA, Mar. 19 — The Superior Court has ordered that service on the Reading Railroad—New Hope-Hatboro branch line—be continued.

The battle between the railroad and commuters has been won by the commuters, at least temporarily.

The Superior Court has ordered that service be continued until a decision is reached, perhaps within several weeks.

The commuters, members of the Northeast Penn. Passengers Association, are fighting a public utility commission decision permitting the railroad to eliminate the commuter line and put buses in their place.

NAME MRS. MEGARGEE CHAIRMAN OF CORPS

To Head Motor Corps of Bristol District, American Red Cross

MEETING AT EDGELY

The monthly meeting of the board of directors, Bristol district, American Red Cross, was held Monday at the home of Mrs. D. Barker Cook, Edgely.

Mrs. Cook, district chairman, who presided, announced that Mrs. Theodore Megargee, Sr., a new member of the board is now chairman of the motor corps.

The Red Cross fund report luncheon meeting will be held in the Benjamin Franklin Hotel, Philadelphia, on April 3rd at 12.15. Anyone interested in attending may make reservations at the branch office.

Mrs. Alfred Thompson, "Gray Lady" chairman, announces a "Gray Lady" course to be held in Philadelphia on Tuesday April 29, from 10.15 to four p. m. Any woman from 21 to 55 who is interested in taking this course may call the local Red Cross office. The "Gray Ladies," a part of the volunteer service program, trains volunteers for hospital work, and work on the Bloodmobile.

Invite Men Tonight To Visit School Shops

All men of this locality are invited to attend the meeting of the Bristol Fathers Association tonight in the high school cafeteria at eight o'clock.

The members of the association will view the work that is being done by the high school students in the blueprint shop, machine shop, and work shop.

So as all men may take advantage of the opportunity of seeing the various shops in the local school, President Nicholas Mannherz has issued the invitation and has also announced that they may also attend the Fathers Association meeting.

Refreshments will be served.

SUPER-MEETING

CORNWELLS HEIGHTS, Mar. 19 — A meeting of Cornwells Parent-Teacher Association on Thursday will be preceded by a supper. The high school teachers have accepted an invitation to the supper, to be served in the cafeteria and art room of the school at 5.45 p. m., by elementary mothers of the Class Mothers Association. Class mothers whose children are in high school will join the teachers at this supper for the purpose of becoming better acquainted. At eight p. m., in the auditorium, a business meeting will be held. The program will mark the 40th anniversary of the Girl Scouts of the United States.

Mrs. Horace Watson, Newtown, chairman of the organizational committee for Bucks County Council of Girl Scouts, will address the group about Girl Scouting in this area. A film entitled "The Growing Years" will be shown. Refreshments will be served.

EXECUTIVE SESSION

An executive committee meeting of Bristol P. T. A. is to be held at the home of Mrs. Phillip Paoella, Jr., Wood and Taylor streets, Thursday at eight p. m.

FALLS AUTHORITY TO ADVERTISE FOR SCHOOL BIDS

Bids To Be Asked on March 27th for \$1,000,000 Elementary School

TO HOUSE 600 PUPILS

New Building To Be Erected At Oxford Valley, It Is Stated

By Staff Reporter
LOWER MAKEFIELD, Mar. 19 — The School Authority of the Township of Falls decided to advertise for bids on March 27th for the construction of the \$1,000,000 Oxford Valley elementary school, following the passage of a resolution by the Falls Township School Board authorizing such action, at a special meeting of the Authority and School Board held last evening in the new Pennsbury School.

Medill Bair, Superintendent of the Pennsbury Schools, said that the school to be located in Fairless Hills will contain 18 elementary class rooms, three kindergarten class rooms, an all purpose gymnasium and auditorium, health and administration rooms, and will have a pupil capacity of approximately 600. Bair added that there will be individual lavatories in each room and that there will be special play areas for the kindergarten group.

Robert Erwin acted as president of the school board in the absence of Alvin Thompson, president. It was disclosed during discussion that a school similar in design to the Oxford Valley School may be built in the Levittown area in the near future. Bair stated, "By using the same plans as far as possible, the authority can save itself a great deal of money."

The board and Authority met

"HILLS" WATER TOWER IS FIRST OF THREE

Capacity of Three To Be 1,200,000 Gallons, Warwick States

CARE FOR ALL NEEDS

FAIRLESS HILLS, Mar. 19 — A 200,000-gallon capacity water tower, designed to care for the town's anticipated water and pressure requirements for this year, is rapidly nearing completion here.

The tower, which is 115 feet high and which has a tank diameter of 44 feet at its largest point, is being erected by Poesy Brothers Iron Works, of Lancaster. There are two more towers to be erected, each with a 500,000-gallon capacity, so that there will be an ultimate capacity of 1,200,000 gallons of water, which will be necessary by the end of 1953, when it is expected that the

RECORD TOURIST YEAR!

Will tourist travel and business
at resorts set new records this
year, continuing the pattern of the
six postwar years? The answer
seems to be an emphatic yes. Win-
ter resorts, in California, Florida
and in the Gulf Coast states were
in most cases hard-pressed to ac-
commodate the customers. There
is not the slightest indication that
the picture will change when sum-
mer comes.

The American people have
formed the habit of piling in the
family car and pointing its nose
toward far horizons. National
parks, mountains, lakes and the
seashore swarm with vacationers
and tourists winter and summer,
as the horde follows the seasons
north or south.

Tourist facilities everywhere
are much more nearly adequate
than was the case in 1946 or 1947,
when there simply were not suf-
ficient accommodations at many
points to meet the demand. Thou-
sands of new motels have been
built, invariably on a much more
lavish scale than was the case a
decade ago. Rates have jumped in
the last five years, but who is a
tourist to quibble?

There isn't a hamlet in the
country that does not benefit di-
rectly from dollars left behind by
Americans on wheels vacation-
ing, though their destination may
be far distant.

WARPLANE FAMINE

Veterans of the Korean War
emphasize that the U. S. is at a
numerical disadvantage in the
fighter plane category. This is
not news to anyone who reads the
newspapers.

It isn't that the Air Force has
been stinted for money. For fiscal
1953 it will have \$21,000,000,000
to devote to buying new planes
and training the men to fly them.
This is the lion's share of the de-
fense dollar.

A year ago air strategists plan-
ned an increase in size of the Air
Force from the present 80-odd
wings to a top of 143 by 1954.
After much soul searching, cal-
culating and conferring, the date
was set back to 1955. The con-
clusion was that there wouldn't
be full scale war until after 1954.
By that time the completed as-
sembly lines to turn out the high
altitude jet bombers and fighters
would be all set and running.

Another explanation is that
since the air fighting in Korea
started going badly for the U. S.,
builders of jet fighters have been
unable to "freeze" designs. As-
sembly lines run in fits and starts.
New design changes call for new
parts. Bottlenecks in the parts
supply industry have driven effi-
ciency experts frantic.

Thus it has been barely possi-
ble to keep up a replacement pro-
gram in Korea. Airmen shiver to
think what would happen if the
reds decided some day to shoot the
works by sending over all the air
strength they have.

Claim Falls Twp. Will Get \$225,000 on Re-Assessment

influx of new families drawn to the
area by new industries.
Roberts and other members of
the board took up the fight last
week after VanArtsdalen said the
new law—Act 544—did not cover
buildings only partially completed
after Sept. 1.

Roberts, at that time, pointed out
the new \$400,000,000 steel plant
nearing completion would escape
proportionate assessment under
this ruling.

As a result of his protests, T. Sid-
ney Cadwallader, township solici-
tor, conferred with Elwood Britton,
chief county tax assessor, and Van-
Artsdalen. It was agreed, Roberts
said, that incomplete industrial as
well as real estate structures
should be subject to assessment.

The township assessors, Roberts
said, would be instructed to assess
the steel plant as well as any other
construction in the township, com-
ing within the specifications of the
law.

The new law, sponsored by State
Senator Edward B. Watson and State
Representatives Marvin V.
Keller and Wilson L. Yeakey, per-
mits the reassessment of housing
and industrial developments in
third and fourth class school dis-
tricts for the current year.

Roberts was unable to estimate
how much revenue would be de-
rived from additional assessments
on housing projects. Roberts took
up the fight after VanArtsdalen
made the ruling at a meeting of
school, county and township offi-
cials with William J. Levitt, de-
veloper of Levittown, a housing
project in the community.

County Bankers Told of Levittown

Continued from Page One
ned. The area comprising this mod-
ern community in 1947 had a popu-
lation of 200 which has now ex-
panded to 70,000. Levitt and Sons
erected 17,500 homes, seven swim-
ming areas, 45 parks, nine swim-
ming pools in Levittown, Long Is-
land, in a two-year period.

The initial program in Levit-
town, Pennsylvania, adjacent to
Bristol and Morrisville, calls for
16,000 houses to be erected in three
years. The first families are sched-
uled to move in to the village on
May 16. During 1952, 5,000 homes
will be completed, although no ac-
tual construction has been started
at this time. The development was
opened for the sale of houses on
December 8. Until yesterday, 3,700
sales of houses, involving 40 mil-
lion odd dollars, have been com-
pleted. The production schedule
calls for the completion of 150
houses per week, commencing in May.

Levitt and Sons, Mr. Biederman
asserted, are community builders
and not simply house builders.
Levittown, Pennsylvania, will con-
tain six separate communities, each
with a distinct name. For ease in
location of any address, all street
names in a given community area
will commence with the same letter
as the name of the community. Each
community has its own shopping
center for necessities. One large
downtown shopping area, where the
principal stores of the nation will
be represented, will be located on
Bristol Pike. Business properties
are not sold but are leased by Lev-
itt and Sons.

Mr. Biederman answered all
questions proposed by the bankers
in detail and refuted many of the
rumors concerning the restrictions
placed upon property owners which
had come to the ears of the bank-
ers and invited the bankers to visit
Levittown for a first hand opportu-
nity to inspect the methods of their
construction teams.

Chairman of the Bank Manage-
ment Committee, T. Wells Knipe,
cashier of the First National Bank
of Perkasie, announced that the
Federal Bureau of Investigation
will present the program at the
next meeting of the Bank Manage-
ment Committee.

Colony.

wing. The work is under the direc-
tion of Harry Mehaffey of Bristol

new delivery suite, a new glassed-in

door to the nursery and several
large new bedrooms. When com-

equipment will make it one of the
most modern in the state.

It was announced that there will
be an open-house as soon as the
work is completed to give the pub-
lic a chance to see the improve-

made under Dr. Kramer's direc-
tion. Several local ministers have
already inspected the "new" hos-

crease of approximately three and
a-half-cents per-hour was approved
for 1545 employees and a four-cent
per-hour increase for 21 employees
in a different unit at the Bristol
plant; and a vacation plan mod-
ification was approved allowing
two-weeks vacation after three
years of service and three-weeks
after 15 years of service for em-
ployees in both plants.

A petition affecting 922 produc-
tion employees at the factory and
research laboratory at Bridesburg
was approved allowing an approx-
imate three-cents per-hour general
wage increase and modification of
the vacation plan similar to the

proposal submitted in behalf of
other employees of the company.
Two of the petitions were filed
jointly by the Rohm & Haas Com-

Presidents' Council To Be Held in Travel Club Home

Young Bristol clubwomen will be hostesses on Thursday evening, March 27th, when the Presidents' Council, composed of presidents of federated junior women's clubs of Bucks county, gather here.

The session will be held in the Travel Club home, with Junior Travel Club entertaining the group.

Reports and business will occupy the evening, with various problems of club groups discussed. Presidents of 14 clubs are expected to attend. The meeting is open to all club members, however.

The Divine Praises

Blessed be God.
Blessed be His holy name
Blessed be Jesus Christ, true God and true man
Blessed be the name of Jesus
Blessed be His most sacred heart
Blessed be Jesus in the most holy sacrament of the altar
Blessed be the great Mother of God, Mary most holy
Blessed be her holy and immaculate conception
Blessed be the name of Mary, Virgin and Mother
Blessed be Saint Joseph, her most chaste spouse
Blessed be God in His angels and His saints.

party was held in honor of Caroline Bilger, daughter of Mr. and Mrs. Elwood Bilger, Market street, who was 11 years old. Those present were: Marlene Keller, Elaine Keller, Maryann Taylor, Violet Taylor, Sally Farina, Virginia Pizzulla, Margaret Seneca, Patricia DiTullo, Gloria Beerbower, Rebecca McSherry and Nadine Flatch. Games were played and prizes won by all. The color scheme was in keeping with St. Patrick's day. The birthday cake was trimmed with green and white icing and had candles atop. The favors were handmade miniature wooden spoons painted with nail polish and sprinkled with snow, and arranged so they could be worn in the hair as barettes. Ice cream, cake and other "goodies" were served as refreshments. Caroline received gifts. On Sunday evening, a birthday dinner was served in honor of Mrs. Peter Daniel, Philadelphia, mother of Mrs. Bilger, in the Bilger home. Attending were: Mr. and Mrs. Peter Daniel, Mr. and Mrs. Herbert C. Daniel, Mr. and Mrs. Chester Ziolski and son Chester, of Philadelphia, and Mr. and Mrs. Elwood Bilger and family.

Mr. and Mrs. Rodman Fries, Radcliffe street, toured the New Jersey Turnpike on their return from New York, N. Y., on Sunday.

Mrs. Sarah Tshudy, Cedar street, spent Sunday in Phoenixville, visiting her son.

Mr. and Mrs. John Minogue, West Philadelphia, and Miss Virginia Walp were Sunday guests of Mr.

and Mrs. Walter A. Colville, Fleetwing Drive. In the afternoon, the group enjoyed skating at Trenton, N. J.

Mr. and Mrs. Ralph Hine and daughter Diane, West Bristol, traveled to Easton for the week-end. They attended a birthday celebration in honor of Mrs. Cyrus Hine, Easton. Mr. and Mrs. Cyrus Hine returned to Bristol to spend a few weeks with their son and his family.

Mr. and Mrs. John Antolich and daughters Barbara and Lois, of Fourth avenue, drove to Asbury Park, N. J., on Sunday.

At the card party conducted Monday evening by American Legion Auxiliary in Bracken Post home, high pinocle scores were attained by: E. Somers, 765; J. Truncer, 759; F. Pfaffenrath, 737; M. Fryling, 726; Mary Helsel, 723.

Among the new families who have taken up residence at Sycamore Gardens, Green Lane, are: Mr. and Mrs. William Wilson, formerly of Bridgetown Pike, Langhorne; Mr. and Mrs. William Aspray, who moved from Trenton, N. J., formerly of South Carolina; Mr. and Mrs. Melvin Leach, who arrived from northern Pennsylvania, formerly of Illinois.

Newcomers to this area recently include the following: Mr. and Mrs. Bernard T. Haleman, of Mt. Carmel, now of Walco Manor section, Bath road; Mr. and Mrs. Kenneth Buchspies, of Ashland, and Mr. and Mrs. William Hildebrand, of Drexel Hill, now of Belardley Village.

South America extends farther south than Africa.

Two social events took place at Bristol Terrace, Saturday evening.

Mr. and Mrs. Donald Taylor, Lincoln avenue, entertained in celebration of their 15th wedding anniversary. Refreshments were served amid St. Patrick's decorations. The couple received crystal gifts. Guests were: Mr. and Mrs. Robert Wynne, Mr. and Mrs. Raymond Sattler, Mr. and Mrs. Charles Chevoicole and daughter Dolly, Mr. and Mrs. Sidney LaRay, Mrs. James Curthbert and daughter Shirley, Mr. and Mrs. Alfred Szafranski and son Richard, Michael Sutton, Mr. and Mrs. Donald Taylor and daughters Carol and Shirley.

Mr. and Mrs. Frank Reiser, Sr., Miller road, gave a surprise party at their home in honor of their son, Henry, celebrating his 24th birthday anniversary. Entertainment included games and television programs. Refreshments were served buffet style. The table was decorated in pastel colors. Henry received gifts. Those attending included: Mr. and Mrs. Russell West, Mr. and Mrs. John Kniuc, Jr., Manayunk; Mr. and Mrs. Joseph Ungray, John Poth, Morrisville; Mr. and Mrs. Henry Reiser, Anthony Rizzo, Merchantville, N. J.; Mrs. Mary Glaube-man and daughter Phyllis, Merchantville, N. J.; Mr. and Mrs. John Melhe and son "Johnnie," Crydon; Miss Jean Fisher, Yardley; Mr. and Mrs. Frank Reiser, Sr.; Frank, Caroline and Violet Reiser, Miller road.

YOUTH LEAGUES PLAN TO OPEN SEASON MAY 4TH

The organizers of the Lower Bucks County Baseball Youth Leagues have set Sunday, May 4th, as the opening date. Officials of the league are still seeking teams from this section to join the various circuits.

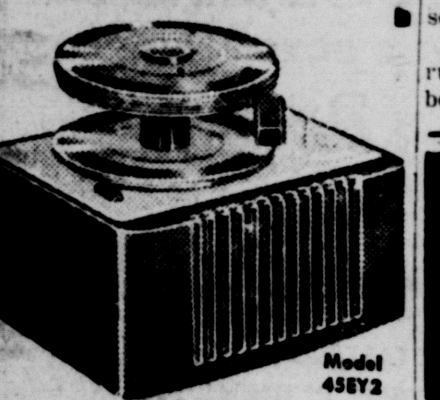

Attempts are being made to have three sections. The first will cover youths, 10 to 13 years of age. The second will be the 14 to 16 class, and the third for youths over 17 years of age. The 14-16 group has eight teams in it and the over 17, four teams. The younger group is just getting started.

Any team in Lower Bucks County, coming into any of the age groups, is invited to join the league. Present plans are to play twice during the week and also have a game on Sunday. For further information team managers are invited to a meeting Monday night at eight o'clock in the V. F. W. home, Andalusia.

If managers are unable to attend, they may contact Frank Wolf by phoning Bristol 4002. Robert Lewis, Washington avenue, is organizer of the leagues. Robert Coles, Bristol, has been elected secretary, and George McCay, Fergusonville, treasurer.

Operation Whitewash

Continued from Page One

dent assigned for this high-handed act on his part is most interesting. He said that this represented a "dragnet" approach, and that Congress ought only to investigate "specific" cases.

Now, what makes this reasoning absurd is the fact that Mr. Morris, as his first step towards investigating, has ordered a milk-and-water form of the same thing—he has ordered the broadcasting of 25,000 questionnaires to Federal officials. This is a "dragnet" with a vengeance. So far as "specific" complaints are concerned, the fact is that much the greater number of persons being thus interrogated have not even come near being suspected.

But the whole matter has become so embroiled with personalities, and the Truman cronies have kicked up so much dust, that no one seems interested in the President's illogic of first rebuffing Congress for asking for a list of officials who had been investigated and found to be "prima facie" guilty of offenses, and then permitting Mr. Morris to assemble confidential information against a host of Truman employees never accused of anything.

Meanwhile, Mr. Morris' previous activities, and his close association with various groups which seem to have enjoyed a preferential status in money-making activities involving either the most remarkable luck or some form of favoritism, continue to be under scrutiny.

It was because he found it embarrassing to be questioned concerning his part in the buying of surplus oil tankers from the government, their use to ship oil to the Chinese Reds, and the final disposal of these tankers to interests unfriendly to Uncle Sam, that Mr. Morris flew into a rage and accused Congress of unfairness and other offenses.

Yet the fact is that if Congress hadn't investigated, and hadn't uncovered a great mass of evidence of proven frauds, there would be no need for Mr. Morris ever to have been made a special investigator.

So confused has thinking become that the New York Times, which is certainly demeaning itself to condone either Mr. Truman or Mr. Morris in this affair, recently came to Mr. Morris' support with an editorial that disregarded the whole history of the investigation, disregarded the fact that various really important public figures refused to take the job of investigating scandals under Mr. Truman because, as they made obvious in their statements, they felt that they were supposed merely to "cover up" for him; disregarded the close contacts Mr. Morris has had with questionable phases of the very type of "inside stuff" he is supposed to investigate; disregarded the fact that the man who appointed him, Attorney General McGrath, is the man chiefly blamed for the corruption getting out of hand; disregarded the fact that when Mr. Morris was asked to explain his own past record he flew into an abusive rage and refused to do so—disregarded all this and traced all the present mistrust of Mr. Morris to the asserted fact that Mr. Morris belonged to a national committee that opposed the re-election of Senator McCarran in Nevada!
"Operation Whitewash" moves along unhappily!

Delhaas High School

On March 14th, 25 boys of Delhaas high school Hi-Y, under sponsorship of Joseph Petrillock, journeyed to Philadelphia to see the "Harlem Globetrotters," world famous basketball team.

Throughout the game, the Globetrotters amused the fans with their ball-handling wizardry and trick shots. In the fourth quarter, when they were well ahead of their "Toledo Mercuries" rivals, they went into their famous football, baseball, piggy-back routines.

In the second game the boys witnessed the Philadelphia Warriors playing the "Milwaukee Hawks." The boys saw Philadelphia's Paul Arizin score the points which put him above the 1600 mark for the season, a remarkable feat in any basketball league.

Arrangements for the trip were handled by the club president, "Jack" Petro; secretary, "Jim" Bustran; and the treasurer, "Larry" Katz. Transportation was supplied by using the private cars of Russell Straub, Sr., president of the Delhaas school board; and of faculty members: Thomas Jenkins, Louis Acker, John Antoni, Stanley Dick and Berkley Ellis.

Members of the club who attended the games: "Jim" Bustran, "Jack" Petro, Robert Charlton, Robert Morris, "Steve" Struble, John Brown, "Jack" Matussek, Arthur Sorensen, William Myers, Richard Smith, Robert Fleming, Russell Straub, Robert Walsh, "Jim" Rappo, Richard Lawrence, George Kemmerer, Charles Young, Philip Bianco, "Ken" Worthington, "Bob" White, "Don" Ritter, "Larry" Katz, "Don" Lambert, George Schmunk, Calvin Morrison.

Work Slump Hitting Some Industries Here

for highly skilled male workers. Some of these hard to fill jobs are for Aeronautical Engineers and Draftsmen, Surveyors, Tool and Die Makers, Form Builders, Bench Mechanics, Inspectors and Stenographers.

"Fifty-four per cent of the unemployed group are experienced female production workers for whom there are no openings. Added to this group are several older men and some handicapped workers who are difficult to place. A quick recapitulation of the remainder leaves us with an excess of jobs over men even before we begin to try to match qualifications with requirements."

"During the next two months total manufacturing employment in the area is expected, according to employers, to expand by almost an additional 1,000 workers and within the next year, approximately another 12,000 will be added. While the situation in regard to skilled workers will, no doubt, continue for the duration of these expansions, it is obvious that many unskilled workers will have to be trained."

"It is for this group then," Mathews emphasized, "that full utilization of the local labor market, particularly those groups previously mentioned, is recommended. All of these groups—performed commendably in various local establishments during World War II and would certainly lessen the turnover problems which would be involved in too much outside recruitment or in workers commuting great distances."

MUSIC MARATHON

ITHACA, N. Y. (INS) — A "marathon of music" helped Cornell University students through their mid-year examination. The student radio station was on the air 24 hours a day during the examination period with quiet music for studying.

"Hills" Water Tower Is First of Three

town will have a population of over 10,000 persons.
Robert Warwick, of the Public Relations Department, Danherst Corp., commented on the tower and its location. He said: "This tower, now under construction, is meant to serve the residents of the 1,600 homes that are expected to be completed by the end of 1952. The tower is being built very close to the wells that are now in operation. This tower will contain enough water to meet fire and other emergencies that might arise, of such nature that the wells might not be able to supply water fast enough."
